KEY FEATURES

Height Adjustable for All Ages

Adjusts from 28-½" to 45" H with a secure screw system for seated, stool-height, or standing use. Perfect for stadium-style setups.

Durable Flip-Top Design

1" thick HPL top flips back smoothly with a one-handed lever, enabling efficient storage and transport.

Stable, Mobile Frame

Black powder-coated steel frame includes a stabilizing stretcher bar and 2" casters (two locking) for mobility and support.

Optional Modesty Panel

Add a privacy-enhancing modesty panel for 60" and 72" widths—ideal for more formal learning or presentation settings.

Robust Weight Capacity

Engineered to hold up to 300 lbs., supporting a wide range of equipment, materials, or group activities with confidence.

Sit-to-Stand Flexibility for Active Spaces

Designed to meet the needs of learners and professionals alike, the Height Adjustable Flipper Table brings effortless flexibility to classrooms, training rooms, and collaborative environments. With a generous height range and easy nesting capability, this mobile table is ideal for dynamic spaces that demand quick reconfiguration. SCS Indoor Advantage Gold Certified to support healthier environments.

Ideal for:

- Training and conference rooms
- Active learning classrooms
- Collaborative university spaces
- Professional development environments
- Libraries and other flexible multipurpose rooms
