

PRESCHOOL DIVIDER

- The Preschool Divider is a flexible, portable panel designed to support early childhood learning environments. Use it as a room divider, acoustical shield, storyboard display, or gallery wall for student artwork.
- Multiple dividers can be connected to create private learning areas or section rooms into activity zones.
- Panels are available in easy-to-clean vinyl or melamine dry erase surfaces with sleek platinum anodized aluminum trim. Each lightweight panel includes a wide base for stability, plus 2" casters (two locking) for easy mobility.
- At 18" deep, the panels balance portability with durability.
- SCS Indoor Advantage Gold Certified for healthier indoor air quality and sustainability.
