Modern Mobility for Any Space

Bring your display anywhere you need it with the iTeach® Spider Flat Panel Cart, a sleek and flexible solution for multimedia and presentation environments. With its dramatic black finish and durable construction, the Spider Cart adds a modern touch to classrooms, training rooms, and conference spaces while providing reliable support for large flat panels up to 250 lbs.

Choose the version that best fits your needs: the electric model offers 18" of smooth motorized height adjustment, easily controlled by a wired remote, while the manual model provides six secure bracket positions for fixed height adjustments. Both models accommodate VESA mounts up to 800 × 600, ensuring compatibility with a wide range of displays. An optional locking storage cabinet adds convenient space for accessories and equipment.

Sleek, mobile, and dependable, the iTeach Spider Flat Panel Cart is designed to engage audiences anywhere. SCS Indoor Advantage Gold Certified for healthier, human-centered environments.

Ideal for:

- Classrooms with interactive displays
- University lecture halls
- Corporate presentation spaces
- Training and seminar rooms
- Conference and multipurpose AV environments
