# Sync Tech Cart

## Sync Tech Cart

- The Sync Tech Cart is a multi-functional mobile technology cart with numerous storage cubbies and a flip-up shelf, perfect for instructors who prefer to move about the classroom.
- Features a pull-out keyboard tray, fixed shelves, 9" locking personal drawer, lockable back door with perforated steel for ventilation, table top grommet and a 24" laminate flip-up shelf.
- Integrated locking casters encourage movement around the classroom; simply lock them in place when a stationary position is desired.
- Custom sizes and configurations available. Contact us for details.
- Available in a variety of laminates: please view our Material Color Reference Sheet for an extensive list of standard & designer laminates: [www.vanerumna.com/material-color-reference-sheet/](http://www.vanerumna.com/material-color-reference-sheet/)
