KEY FEATURES

Flexible, Modular Design

Choose stand-alone, starter/ender, adder, or mobile units to build flexible storage that fits your space and evolves with you.

Sized to Suit Any Space

With various heights and widths, Array helps maximize vertical space or create low-profile zones for display and storage.

Durable Laminate Construction

Crafted from durable laminate with PVC edges for lasting performance in busy spaces like schools, libraries, and offices.

Customizable Finishes

Choose from standard laminates or customize finishes to create shelves that match your space and reflect your style.

Certified for Healthier Spaces

SCS Indoor Advantage Gold Certified for low-emitting materials, supporting cleaner indoor air and sustainable design.

Modular Shelf Storage That Works Your Way

Organize with ease and adapt with intention using Array Shelving—the modular storage solution designed to fit your space and your style. With its flexible configurations, durable construction, and clean design, Array is ideal for classrooms, libraries, and professional environments where smart storage matters.

From compact reading nooks to collaborative workspaces, Array gives you the freedom to build the exact storage system you need—no clutter, no compromise.

Ideal for:

- School libraries and classrooms
- Makerspaces and reading areas
- Offices, staff rooms, and shared workspaces
- Hallways, entryways, or open-plan zones
