## KEY FEATURES

### Curved, Inclusive Design

Wraparound shape promotes discussion and connection, creating a central hub that supports academic and social interaction.

### Flexible Configuration Options

Cocoon comes in multiple layouts to fit your space—ideal for lounges, learning commons, or quiet breakout areas.

### Comfortable Soft Seating

Inner benches provide a cozy gathering spot, with or without backrests. Upholster via graded-in fabrics or approved COM.

### Built-In Work Surfaces

Laminate surfaces—at low or high heights—offer workspace, perch spots, or laptop zones without disrupting conversation.

### Stadium-Style Seating

Tiered seating options increase line-of-sight for improved engagement in presentations, discussions, or peer-led activities.

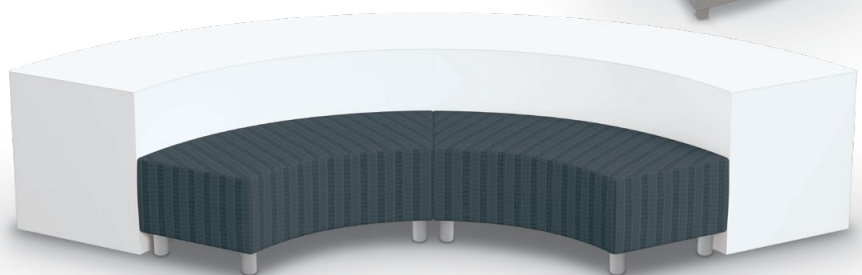

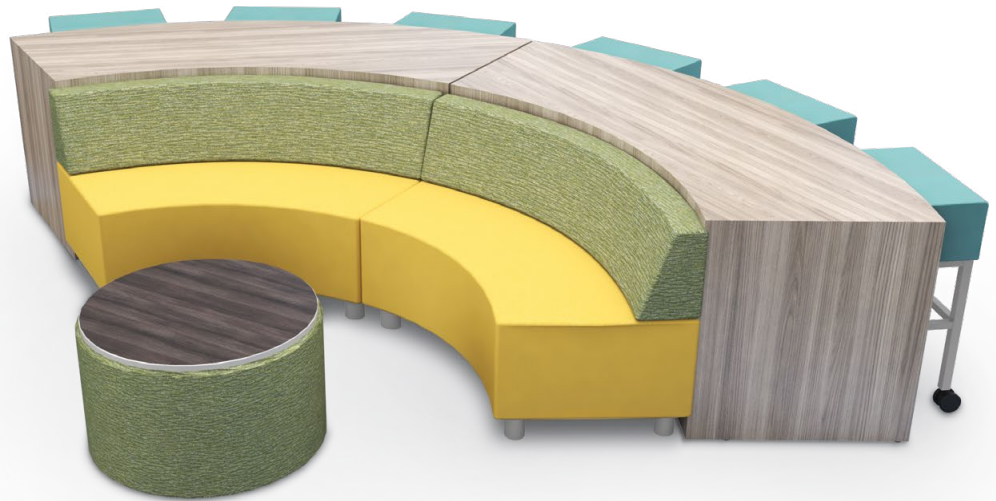

# Invite Connection, Encourage Collaboration

Inspired by modern learning philosophies, Cocoon is a flexible, inviting gathering space designed to support collaboration, creativity, and comfort. Its signature curved design naturally fosters inclusive interaction while maximizing sightlines and adaptability—making it the perfect fit for in-between spaces, student lounges, media centers, or informal learning zones.

With configurable seating, integrated work surfaces, and optional backrests, Cocoon brings both structure and softness to environments where engagement and relaxation go hand-in-hand. SCS Indoor Advantage Gold Certified for healthier environments..

## Ideal for:

- K-12 and higher education common areas
- Library lounges and collaborative learning hubs
- Shared learning zones and flexible breakout areas
- Student unions and modern residence halls
- Corporate and training environments
