KEY FEATURES

Purposeful Acoustic Design

Curved upholstered walls soften sound and sightlines—creating a cozy, distraction-free zone for focus, calm, and connection.

Built-In Work Surface & Storage

Includes a convenient tabletop ideal for planning, collaboration, or quick meetings and a side table for storing bags or backpacks.

Mobile & Adaptable

Now equipped with casters, making pods simple to rearrange, reconfigure, or relocate for evolving needs and dynamic spaces.

Power Up with Ease

Optional integrated electrical outlets keep devices powered and ready, supporting work and conversation without interruption.

Flexible Configuration

Choose short or tall walls and cluster pods your way. Upholster with graded-in fabrics or approved COM.

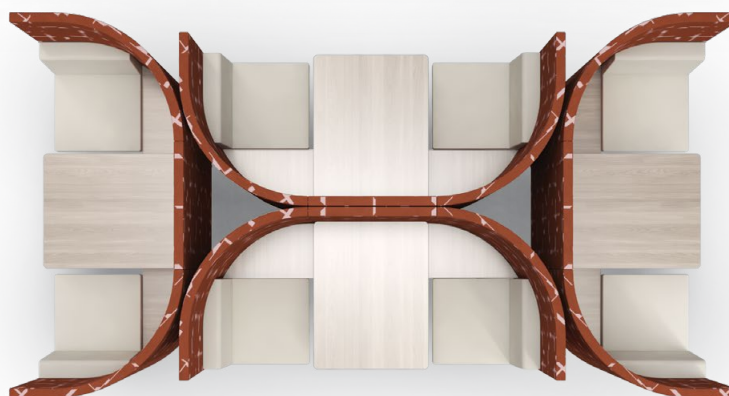

Comfortable Collaboration in a Quiet Retreat

Create a private oasis for focused conversation with the Double Privacy Pod. Designed for one-on-one meetings, mentoring, or planning sessions, this cozy two-seat nook offers a distraction-free environment that enhances focus, connection, and comfort. Whether placed in a quiet corridor, open-plan office, or bustling student center, the Double Privacy Pod delivers visual and acoustic separation to keep discussions on track and energy centered.

Its curved, upholstered walls soften sound and shield sightlines, while integrated work and storage surfaces make it easy to settle in and get things done. Available in a range of fabric choices and wall heights, the pod integrates effortlessly into any layout—alone or in clusters. SCS Indoor Advantage Gold Certified.

Ideal for:

- Student centers and campus commons
- Office collaboration zones
- Library breakout areas
- Media centers or learning hubs
- Corporate lounges or touchdown spaces
