## KEY FEATURES

### Dual-Sided Functionality

Three angled racks display titles face-forward; three flat shelves on the back offer ample storage and transport space.

### Top Shelf with Metal Stops

The top tier features metal book stops to securely hold featured titles, folders, or reference materials during movement.

### Mobile & Maneuverable

Durable twin-wheel casters allow for easy repositioning across classrooms, libraries, or public spaces.

### Durable & Stylish Construction

Scratch-resistant HPL surface is available in a wide range of finishes to complement any space.

### Certified for Health & Sustainability

SCS Indoor Advantage Gold Certified for low-emitting materials, contributing to healthier indoor air quality.

# Dynamic Display Meets Durable Design

Designed for both form and function, the Porto Mobile Angled Book Cart transforms book storage into a mobile, multi-functional display. Perfect for libraries, media centers, and learning spaces, this versatile cart showcases front-facing titles while offering generous storage on the reverse side—all within a sleek, compact footprint.

Crafted from scratch-resistant high-pressure laminate and equipped with smooth-rolling twin-wheel casters, Porto keeps books organized, visible, and within reach—wherever inspiration strikes.

## Ideal for:

- School libraries and cozy reading nooks in any space
- Classroom book displays
- Public and community libraries
- University media centers
- Rotating themed or seasonal literature displays

## Make it Yours
