# Porto

## Mobile Book Cubby Cart

## KEY FEATURES

### Flexible Storage Configuration

Available in single- or double-sided designs with top open cubbies for quick access and deep shelves below for bulk storage.

### Mobile & Maneuverable

Durable twin-wheel casters glide smoothly, letting you reconfigure your space or roll between rooms with ease.

### High-Capacity Organization

Ideal for organizing books, media bins, or classroom supplies in high-volume spaces.

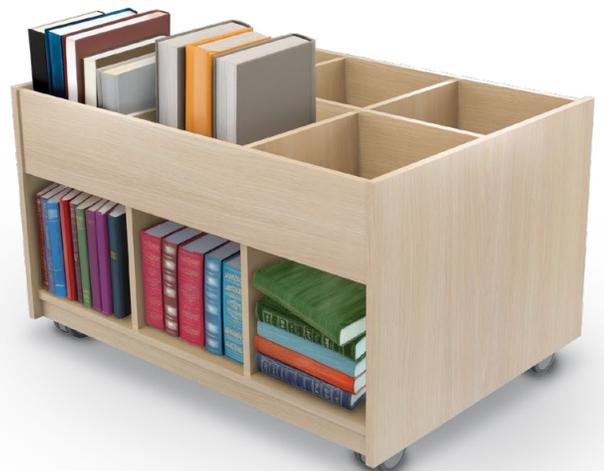

### Durable Laminate Finish

Constructed with scratch-resistant high-pressure laminate (HPL) in a variety of modern finishes.

### Certified for Indoor Health

SCS Indoor Advantage Gold Certified for low-emitting materials that support better air quality.

# Built for Big Collections and Smooth Moves

When you need to store more, move more, and do it all with style, the Porto Mobile Book Cubby Cart delivers. Designed with a combination of open cubbies and deep lower shelves, this high-capacity cart keeps books, bins, and media organized and easily accessible—making it a perfect fit for school libraries, learning commons, and media centers.

Durable, stylish, and available in single- or double-sided configurations, this scratch-resistant HPL cart rolls effortlessly on twin-wheel casters, giving you total flexibility with a small operational footprint.

## Ideal for:

- K-12 and public libraries
- Media and resource centers
- Makerspaces and collaborative classrooms
- Reading corners and flexible learning zones
- Multi-use storage and transportation

## Make it Yours
