Privacy Pod
## by MooreCo

KEY FEATURES

Quiet, Individual Workspace
Enclosed design with upholstered curved walls minimizes distractions and reduces ambient noise for better concentration.

Integrated Work & Storage
Includes a built-in work surface sized for laptops and devices, plus a side table to stow personal items like backpacks and bags.

Flexible Privacy Options
Available in both short and tall wall heights to accommodate different environments, visibility needs, and user preferences.

Power-Ready Convenience
Optional integrated electrical outlets keep laptops, tablets, and phones powered up throughout the day.

Customizable & Configurable
Offered in versatile fabric options through our graded-in program. Easily configure pods to fit any space.

A Personal Retreat for Focus, Rest, and Recharge

When it's time to tune out distractions and dive into deep work—or simply take a break—our Privacy Pod delivers the comfort and quiet of a private workspace in any open environment. With its softly curved, sound-dampening walls and built-in work surface, the Privacy Pod offers a cozy retreat for students, staff, or visitors needing a moment of calm.

Whether used for independent study, remote meetings, or a quick mental reset, the Privacy Pod adapts to your needs with flexible configuration options, integrated power, and upholstered surfaces that reduce ambient noise. It's your personal space—reimagined. SCS Indoor Advantage Gold Certified for healthier environments.

Ideal for:

- Student lounges and learning commons
- Libraries and media centers
- Office wellness or recharge areas
- Higher education and corporate campuses
- Quiet zones in public or shared spaces
