KEY FEATURES

Streamlined Workflow

Built-in top slot book drop with mobile depressible book box ensures quick, efficient returns and organized processing.

Versatile Configurations

Choose from radius, straight, C-shape, L-shape, and more to fit your floor plan and service needs.

Cohesive, Durable Design

Crafted with matching laminate panels and durable PVC edge banding for long-lasting style and structural integrity.

Customizable Finishes

Select from a full range of stock and standard laminate finishes to align with your branding or architectural vision.

Customizable Design

Tailor dimensions, layout, and surface finishes to meet your operational needs and complement your brand identity.

Thoughtfully Designed for Seamless Service

Make a strong first impression with the Recto Circulation Desk—a refined, customizable solution for libraries, media centers, and public-facing spaces. Designed as a permanent installation, Recto combines functional efficiency with architectural elegance to support daily operations and elevate the user experience.

Each desk features a continuous work surface with an integrated top-slot book drop and mobile depressible book box, streamlining returns and creating a smooth, professional workflow. Available in a wide variety of configurations and finish options, Recto adapts to your layout while delivering a cohesive, tailored look. SCS Indoor Advantage Gold Certified.

Ideal for:

- School and public libraries
- University media centers
- Reception or help desks in civic spaces
- Customer service counters in educational environments
- Any space needing an effective front-of-house solution
