KEY FEATURES

Modular, Mobile Design

All units come standard with casters for easy movement; leg options also available for fixed placement.

Single- or Double-Sided

Choose the layout that suits your space—double-sided units double your storage and work beautifully in open-plan environments.

Shelves & Pegboard Storage

Height-adjustable shelves provide adaptable storage, while the steel pegboard back panel adds utility for tools, bins, or supplies.

Creates Multi-Functional Zones

Pair with coordinating ottomans to create comfortable reading corners, collaboration hubs, or lounge-style learning zones.

Customization for Convenience

Optional handles and magnetic ganging kits make rearranging and locking units together easy and secure.

Built for Flexibility, Designed for Learning

Support evolving classroom needs with the Schoolworks Bookcase, a mobile, multi-functional storage solution crafted for progressive learning environments. Whether you're organizing books, storing supplies, or creating a reading nook, Schoolworks balances durability and design to meet the dynamic demands of modern educators.

Available in multiple heights and configurations, each bookcase offers generous storage, mobility, and smart add-ons to keep your space flexible and organized. Pair with Schoolworks Ottomans for a cozy lounge setup, or reconfigure on the fly using optional handles and magnetic ganging features. SCS indoor Advantage Gold Certified.

Ideal for:

- K-12 classrooms and resource rooms
- Libraries and media centers
- Collaborative reading nooks
- Makerspaces and STEM labs
- Flexible or mobile learning environments
