KEY FEATURES

Dual-Sided Display

Presents ten total tiers (five per side) for maximum visibility of books, periodicals, and more.

Space-Saving Footprint

Vertical tiered design delivers high-capacity display without taking up valuable floor space.

Durable, Easy-to-Clean Finish

Constructed from scratch-resistant high-pressure laminate (HPL) in a wide selection of finish options.

Stationary Stability

Designed for fixed placement in media centers and libraries—stays put while offering all-day access.

Certified for Indoor Wellness

SCS Indoor Advantage Gold Certified for low-emitting materials and improved indoor air quality.

Maximum Visibility in a Minimal Footprint

Designed for clear, accessible display, the Stazio Angled Book Stand offers a classic two-sided tiered presentation in a space-saving format. With five angled tiers on each side, this stationary book stand makes it easy to showcase books, magazines, and featured materials where they're easy to see—and easy to reach.

Ideal for libraries, media centers, and reading zones, Stazio features durable, scratch-resistant HPL construction in a variety of finish options to match any interior. Whether used as a central display or positioned along a wall, it brings lasting function and clean design to any space.

Ideal for:

- K-12 and higher education libraries
- School and public media centers
- Reading areas and literacy corners
- Classroom resource displays
