## KEY FEATURES

### Mobile & Modular

Reconfigure your desk as your space or needs change—individual tops and mobile units allow fast, simple rearrangement.

### Variety of Configurations

Choose from modules with drawers, open storage, closed cabinets, open knee desks, corner units, and more.

### Durable Construction

Each unit is finished with high-quality matching laminates and PVC edge banding for a cohesive, professional look.

### Custom Finish Options

Available in a wide selection of stock and standard laminate finishes to match any library or media center aesthetic.

### Certified for Indoor Health

SCS Indoor Advantage Gold Certified to support better indoor air quality and sustainable design practices.

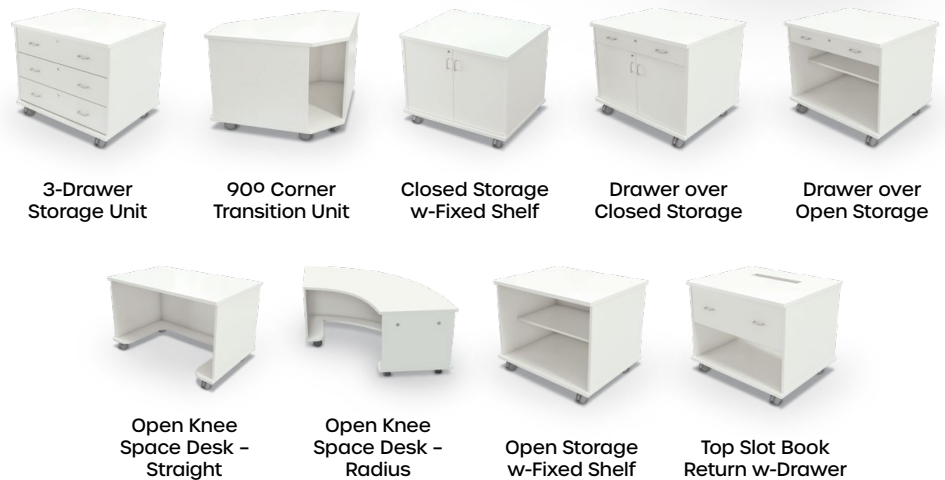

## Adaptable Design for Evolving Library Needs

Create a custom-fit workspace that grows and changes with your environment. The Verso Modular Circulation Desk offers a flexible, mobile, and modern solution for libraries, media centers, and other public-facing spaces that require thoughtful design and efficient functionality.

Built to meet the evolving needs of today's educational and institutional spaces, Verso features a wide range of modular desk components that can be easily rearranged or reconfigured to accommodate shifting floorplans or workflows. Whether you're building a welcoming reception point or an efficient circulation hub, Verso ensures your setup stays both stylish and practical.

### Ideal for:

- K-12 and higher ed libraries
- Media centers and research hubs
- Reception and information desks
- Customer service or check-in stations
