©2025 MooreCo, Inc. All rights reserved.

MooreCo, Inc. reserves the right to correct pricing or copy errors.

Due to the current volatility in the price of raw and finished materials, please refer to our web site for the latest price list for pricing. Since individual items are subject to availability of materials from our suppliers, we reserve the right to limit quantities.

All shipping weights are nominal and may vary depending on items and quantities ordered. When ordering please contact MooreCo customer service at 1-800-749-2258 for accurate shipping rates and lead times.

Board dimensions reflect panel sizes prior to framing. All boards listed as 3'H x 4'W actually measure 33-3/4"H x 48"W due to shipping restrictions. Dimensions on all glass dry erase boards are estimated and may vary slightly.

Fabrics and finishes shown in images are chosen for illustration purposes only, and do not necessarily represent accurate scale, color, or best purpose of use. Please consult with our professional design team before selecting fabrics and finishes for your space.

Return Policy: A return authorization is required for the return of any merchandise. All requests for returns should be made within 90 (ninety) days of receipt of merchandise. The dealer may be responsible for restock and return freight charges. Returned products must be unused, undamaged, and in the original packaging. Please contact customer service for more details. Returned merchandise may be subject to a restocking fee.

Restocking Fee: Returned merchandise will be subject to a restocking fee.

Non-Returnable Merchandise: All boards and furniture which have been custom sized, custom framed, or customized to specifications will be considered a non-returnable item.

Alighting on a familiar path to a comforting destination...

Designed to foster calm, to soothe anxiety, and to provide a more restful outlet for quiet thinking and work, soft seating puts people at ease and in a more focused and open frame of mind. Soft seating brings immediate comfort and relaxation and a sense of home to any space, and is fast becoming the preferred seating for a variety of spaces, from educational to commercial.

Our full line of soft seating offers the potential to create a truly unique and tailor-made environment. We can accommodate any industry or style, whether it's commercial, industrial, medical, or educational. Contemporary or traditional, bright or subtle. Our offerings and configurations will turn your environment into a warm and productive space.

We bring contemporary styling together with customizable options, which include over 5000 fabric choices. Our configurations are limitless, with selections of curved and straight shapes, tables, casters, and integrated power modules.

See how we can bring your space to life...

Soft Seating Graded-In Product Information

Graded-In Fabrics

We've partnered with multiple fabric and textile manufacturers to offer you more than 5000 graded-in fabric options. Please refer to the MooreCo Graded-In Fabrics Guide for grading information. The guide can be downloaded at www.moorecoinc.com/price-guides.

Upcharges & Add-Ons

Upcharge Option:	Product Line:
Two fabrics	
Ganging device

Pop-Up Grommet Electrical	Table tops only
MoorePower® Tower	
Tablet Side Table	

Materials

Seating is assembled with ¾" commercial grade plywood and hardwood. The seat back is made up of a Martex Syntex woven webbing. Hard top tables are constructed with 48-52 density MDF core and finished with HPL. CAL 117-2013 Compliant. Weight limit 400 lbs.

Warranty Information

Seating Frame – MooreCo warrants the frames used in soft seating products to be free from design defects in materials and workmanship for a period of twelve (12) years beginning on the date of shipment.

Seating Foam – MooreCo warrants the foam used in soft seating products to be free from defects in materials and workmanship, beginning on the date of shipment, extending for five (5) years. This does not include softening and flattening of the foam that occurs as a result of normal use and aging.

Seating Fabric – The MooreCo warranty of fabrics offered as part of the graded program is dictated by the materials manufacturer and passed on accordingly. Customer Own Material (COM) is not warranted.

Table Frame – MooreCo warrants the frames used in soft seating products to be free from design defects in materials and workmanship for a period of twelve (12) years beginning on the date of shipment.

Table Top – MooreCo warrants HPL table tops used in soft seating products to be free from design defects in materials and workmanship for a period of twelve (12) years beginning on the date of shipment.

Table Fabric – The MooreCo warranty of fabrics offered as part of the graded program is dictated by the materials manufacturer and passed on accordingly. Customer Own Material (COM) is not warranted.

Electrical Options – Electrical options are warranted for one (1) year from date of shipment for manufacturer's defects.

Changes & Cancellation

MooreCo's acceptance of an order for custom soft seating is final and binding and an order may not be changed or canceled without MooreCo's written consent. To change or cancel orders, contact MooreCo Customer Care in writing for authorization and applicable charges. **All orders for soft seating must be on a separate PO with no other MooreCo products.**

Freight Program

All soft seating and graded-in products ship FOB Tennessee. All charges illustrated in the matrix include delivery only and do not include extra services such as: inside delivery, lift gate service, white glove services, international shipments, or shipments to Alaska or Hawaii.

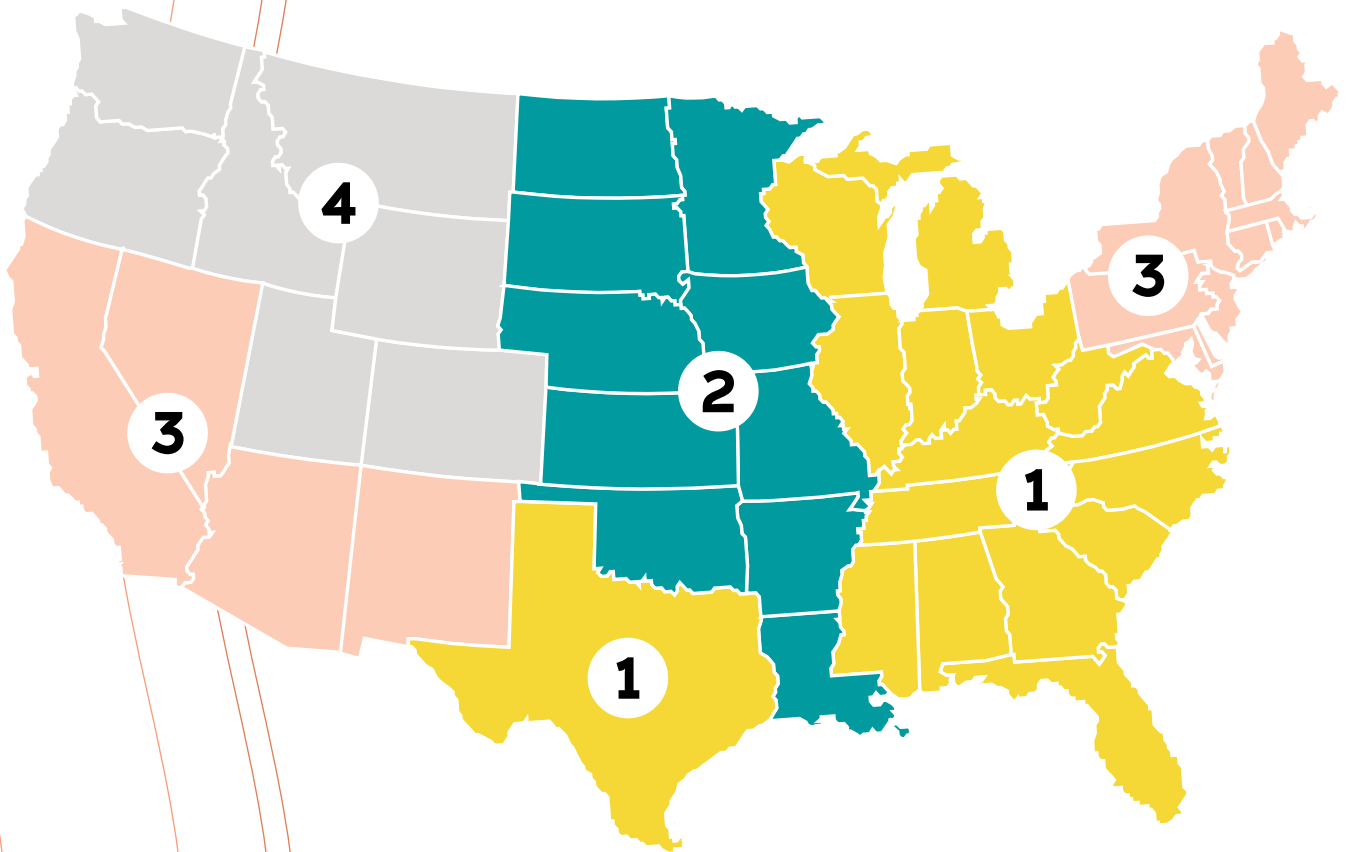

Ordering Details

Visit www.moorecoinc.com or contact your sales representative at 800.749.2258 to request more information. Pricing and fabric availability are subject to change.

luly
BY MOORECO

Luly™ Soft Seating

- Comfort and user experience come first with Luly™ soft seating, blending mid-century design and modern day needs.
- The Luly soft seating family takes on a higher-end, residential feel, exuding hints of mid-century design blended with modern day needs. Sweeping bold rounded corners and generously stuffed cushions rest on minimal, tapered leg frames. Thoughtful elements such as the 1960's "squircle" shape are included. This arched square geometry is repeated across this product line, in tabletops, risers, and stand-off knobs.
- Comfort and user experience come first within this soft seating line. The ergonomically designed seating features plush cushions, power integration, and ADA flexibility. The furniture is raised off the floor for ease of cleaning underneath. A minimalist approach is closely regarded by asking these three questions: Is it comfortable? Is it necessary? Is it appealing?
- Get creative with your space! Straight and curved sections can be combined to accommodate any space configuration. Curved shapes have been proven to calm the brain, foster positive emotions, and promote social interaction. Complete the scene with accent tables and accessories. All pieces can be curated together and are designed to live in harmony. The Luly family is cozy, durable, versatile, and organized.
- SCS Indoor Advantage Gold Certified.

phoeby
BY MOORECO

Phoeby Indoor Soft Seating

- Discover our new line of forward-thinking, fully modular soft seating inspired by the remarkable adaptability of amphibians to effortlessly move between aquatic and terrestrial environments depending on their needs.
- Phoeby Indoor and Phoeby Outdoor work together to create a cohesive, transitional space that blurs the boundaries between indoor comfort and outdoor freedom. Dynamic, multifunctional working and learning spaces provide a calm, relaxing environment for spontaneous gatherings, prolific brainstorming, and heightened creativity.
- Ergonomically curved silhouettes promote inclusiveness, while linear sections convey a sense of structure and order, making Phoeby ideal for versatile, collaborative settings. The balanced aesthetic promotes relaxation, concentration, and productivity and enhances the overall ambiance of any transitional setting where ideas flourish and minds connect.
- Phoeby Indoor is available in our full suite of fabrics. Top stitched sewing details. Textiles available through our graded-in fabric program, or COM by approval.
- Includes aluminum legs; optional mobility package includes casters on front legs and integrated handle on the back for easy reconfigurability.
- Available with optional integrated electrical assemblies to stay powered and charged all day.
- Phoeby passes the UFAC-Fabric, Class-1 flammability and California 117 Section E requirements. Manufactured in the USA.
- SCS Indoor Advantage Gold Certified.

Phoeby Outdoor Soft Seating

- This truly unique line of modular soft seating is inspired by the remarkable adaptability of amphibians. Just as amphibians effortlessly move between aquatic and terrestrial environments, Phoeby effortlessly blurs the boundaries between indoor comfort and outdoor freedom, revolutionizing the way users connect with nature.
- Ergonomically curved silhouettes promote inclusiveness, while straight sections convey a sense of structure and order. The balanced aesthetic helps users relax and focus, enhancing the overall ambiance of any outdoor learning or working space.
- Entirely weather-resistant, Phoeby's frame is constructed from outdoor-rated $\frac{3}{4}$ " plywood, contains full moisture barrier protection, Matrex Sytex™ III synthetic webbing suspension, and aluminum legs.
- All hardware, fasteners, staples, ganging, and tie down options are made of corrosion-resistant stainless steel. Dual-density foam is comfortable, supportive, and antimicrobial.
- Phoeby Outdoor is available upholstered with durable outdoor-rated Spradling Silvertex and Sunfield fabrics. The continuous filament bonded polyester fabrics are water- and stain-repellent, are rated at 25,000+ double rubs for abrasion resistance, are mildew-resistant, and are 1500 hour UV-resistant.
- Phoeby passes the UFAC-Fabric, Class-1 flammability and California 117 Section E requirements.
- SCS Indoor Advantage Gold Certified.

Designed to be suitable for use in exterior spaces and environments, our curated collection of outdoor-friendly fabrics will provide you with durable and colorful options that are sun, wind, and water resistant.

All Foam Soft Seating

- This imaginative, inventive, and tranquil collection of sturdy foam floor pads and ottomans is designed to help young students discover different learning positions and reach their potential.
- Foam seating encourages choice and fosters autonomy so students can become agents in their learning.
- Tie shapes to curricular objectives, inspire creative collaboration, elevate story time with imaginative props, associate shapes with calming mindfulness exercises, and organize small breakout groups according to shape.
- Floor cushions (3"H) can be used as seats, back rests, or even work surfaces. Ottomans (18"H) can create tiered seating and offer different classroom perspectives and vantage points.
- Early learners inherently learn through movement, acquiring knowledge through experiential activities and imaginative play. The simplest way to invite this type of learning is by incorporating flexible seating into your classroom.
- Soft foam seating is not only comfortable, but it also promotes inclusivity, accommodates the diverse needs of students, and adapts to a variety of teaching methods and learning styles. Create a welcoming atmosphere, improve the emotional well-being of students, and increase focus, productivity, and positivity with All-Foam Soft Seating.
- Changing seats and adjusting positions periodically results in positive physical effects. Kneeling encourages stability and engages core muscles. Sitting in a cross-legged position promotes spinal alignment and flexibility. By lying on their stomachs, students sharpen fine motor skills by stabilizing their bodies with their arms. This position also helps anxious kids relax and calm down, allowing them to engage with the learning activity. Have students move the seat pads to create their own environment, learn about their bodies, and promote autonomy.
- Floor pads and ottomans are made of high-density foam with a zipper cover. Ottomans have a non-skid bottom. Available in a wide range of colorful QuickShip fabrics for guaranteed fast delivery. Products come fully assembled and ready to use.
- SCS Indoor Advantage Gold Certified.

Akt Lounge Soft Seating

- Designed to be inviting, comfortable, and easy to clean, Akt lounge seating is the perfect addition to your common and public spaces. Cozy pieces are perfect for individual work and relaxation, private collaboration, or team activities.
- Ideally suited for secondary learners, higher education students, and employees in the workforce, Akt lets you outfit a multitude of spaces to establish privacy, study spaces, and relaxation.
- Akt soft seating is designed to facilitate easy and thorough cleaning by minimizing the spaces where debris can collect. The taller legs allow most vacuums to fit beneath, and each piece features gaps between the back and seat to allow crumbs and dirt to fall to the ground where it can be easily vacuumed.
- Seating also features spacers between the seat and arms for easy access and easy cleaning. The spacers are available in colors to match the other members of the Akt family.
- Multiple seating shapes and sizes to create a cohesive and flexible environment. Choose from black or platinum sled base, or platinum 4-leg base to coordinate with other members of the Akt family.
- Top stitched sewing details in upholstery. Textiles available through graded-in fabric program, or COM by approval. Includes powder-coated steel legs.
- Available with optional integrated electrical USB and 110v outlets.
- Manufactured in the USA from commercial grade $\frac{3}{4}$ " plywood and hardwoods. Seats are 18"H on all units.
- Twelve year limited warranty on seating. Prop 65 and CAL 117-2013 compliant. 400 lb. capacity.
- SCS Indoor Advantage Gold Certified.

Morris Soft Seating (Straight)

- Soft seating creates a welcoming and comfortable environment by establishing islands of quiet and calm where creativity, collaboration, and socialization can flow naturally.
- Adding flexible seating to your spaces increases a user's sensory experience, shown to improve calmness, focus, and reduce tension. By creating space where humans of all ages can relax, you foster positive attitudes and encourage learning.
- Modular soft seating pieces are designed to work together to create limitless configurations, from circular, straight, to serpentine arrangements that fit any space or architectural detail.
- Top stitched sewing details in upholstery. Textiles available through graded-in fabric program, or COM by approval. Includes aluminum legs.
- Available with optional integrated electrical USB and 110v outlets.
- Manufactured in the USA from commercial grade $\frac{3}{4}$ " plywood and hardwoods. Seats are 18- $\frac{1}{2}$ "H on all units.
- Table top models feature 1" MDF core with a variety of HPL laminate and edge band options.
- Twelve year limited warranty on seating and five years for table versions.
- Prop 65 and CAL 117-2013 compliant. 400 lb. capacity.
- SCS Indoor Advantage Gold Certified.

Elevate Wind Down

- Designed just for kids, the Elevate Wind Down creates a cozy and quiet space where students can take a moment to refocus, reset, or simply relax. Ideal for K-12 classrooms, sensory rooms, and calm corners, this soft seating nook helps children manage their emotions and energy throughout the school day.
- Provides a private retreat where young learners can wind down, read, or self-regulate during transitions or after high-energy activities.
- Available in larger 60" diameter or smaller 42" diameter.
- Helps students manage overstimulation, reduce stress, and build self-regulation skills in a supportive, student-centered environment.
- The soft, all-foam construction is comfortable, lightweight, and easy to move—perfect for flexible classrooms and wellness-focused spaces.
- Finished with top-stitched upholstery, available through MooreCo's graded-in fabric program or COM by approval. Includes nylon glides for smooth floor protection and easy repositioning.
- Manufactured in the USA from commercial-grade 3/4" plywood and hardwoods, ensuring long-term durability in high-use school settings.
- 12-year limited warranty. SCS Indoor Advantage Gold Certified for indoor air quality. Prop 65 and CAL 117-2013 compliant

Rocking Soft Seating

- Moderate and gentle rocking motion allows this soft seating to create rhythmic micro-movements that help release excess energy. All rocking bases are ideal for engaging the core muscles and allowing motion while working to improve focus.
- Adding flexible seating to your spaces increases a user's sensory experience, shown to improve calmness, focus, and reduce tension. By creating space where humans of all ages can relax, you foster positive attitudes and encourage learning.
- The Soft Sway Rocking Chair combines the gentle rhythm of a classic rocker with the cozy relaxation soft seating to provide the comfort your classroom or workspace has been missing with features your floors will love.
- Ideal for use in any common space, library, or other space where relaxation is a plus. Non-skid plastic rocking glides protect fabric and the floor, preventing scuffs, scratches, and marks.
- Interior is made with standard soft seating mixed polyurethane foam. Soft Sway is available in two sizes: small (suggested for K-5 users) and large.
- Stop, drop, and rock with Dot Soft Seating Rocking Stools. Active seating perfectly sized for anyone to provide hours of balanced learning or working with a smooth black convex base that provides a moderate rocking motion to help soothe and relieve excess energy.
- Dot Rocking Stools come in two diameters (15" and 18") and in four heights: extra low (5"), low (12"), medium (15"), or high (18"). The extra low Dot can be used as a stool or kneeling platform.
- Stacks for easy storage or use our Dot Cart for mobile storage. Available with a rocking non-skid base in black plastic.
- Available through our graded-in fabric program or COM on approval.
- SCS Indoor Advantage Gold Certified.

Privacy Pod & Double Privacy Pod

- Cozy and private individual or one-on-one work space makes a comfortable solution for focused study or rest, and distraction-free collaboration or planning.
- Available in single or double models, both provide quiet and confidential space that can be carved out of any busy or community environment. Pods are also ideal for classrooms, libraries, or for use as personal kiosks. Single Privacy Pod available in right- or left-hand orientation.
- Upholstered for sound-dampening, the curved wall shape is designed to reduce noise, providing a quiet workspace. Both short and tall privacy wall options are available.
- Pods feature a built-in work surface that provides ample space for a laptop, and a side table to stow your bag, backpack, or other belongings.
- Available in a variety of fabric combinations through our graded-in program.
- Optional integrated electrical outlets keep your devices powered, charged, and ready to go.
- Designed to allow multiple pods to be arranged in many configurations, fitting any space or nook.
- SCS Indoor Advantage Gold Certified.
