

ALL FOAM TINKER SOFT SEATING

Puzzle Piece Sets

MOORECO™

CONSTRUCTION & FEATURES:

- Connect ideas; power learning!
- Imagine soft seating that promotes community, inclusivity, and autonomy while it sharpens gross motor and problem-solving skills. This set of four puzzle-shaped ottomans will help students form connections in more ways than one!
- Young students inherently learn through movement, acquiring knowledge through experiential activities and imaginative play. Perfect for active learning classrooms, libraries, media centers, and common areas, mobile foam soft seating has been proven to positively impact the physical and emotional health of users.
- The inventive collection of sturdy foam soft seating ottomans is designed to help young students discover their ideal learning position and foster autonomy so they can become agents in their education.
- Flexible foam ottomans can be used individually to create tiered seating and offer different classroom perspectives and vantage points. Piece them together to create comfortable bench seating.
- Flexible foam floor cushions can be used separately as seats, back rests, or even work surfaces. Piece them together in different combinations to create larger pads for group activities or lounging.
- Available to QuickShip in just 10 days in two bright color combinations: Silvertex Lagoon/ Creme de Menthe, and Silvertex Lagoon/Imperial. The full suite of vibrant fabrics is available with longer production times.
- Manufactured with high-density foam with a zipper cover. Foam soft seating ottomans have a non-skid bottom. Products come fully assembled and ready to use.
- SCS Indoor Advantage Gold Certified.
