KEY FEATURES

Configurable Shapes for Any Setup

Available in multiple shapes, Astute is designed for right- or left-handed seating, and for individual or group learning.

Durable, Student-Friendly Surface

Premium hard plastic top available in Grey Nebula or Fusion Maple features a waterfall edge and an embossed pen or pencil groove.

Integrated Storage for Essentials

A built-in book box keeps supplies and materials organized and accessible, freeing up workspace for learning.

Height-Adjustable for All Ages

Legs adjust from 23.1" to 33.1"H in 2" increments, accommodating a broad range of ages and grade levels.

Efficient Classroom Outfitting

Astute desks are sold in sets of two, making classroom planning and purchasing more efficient.

Simple, Durable, and Smartly Designed

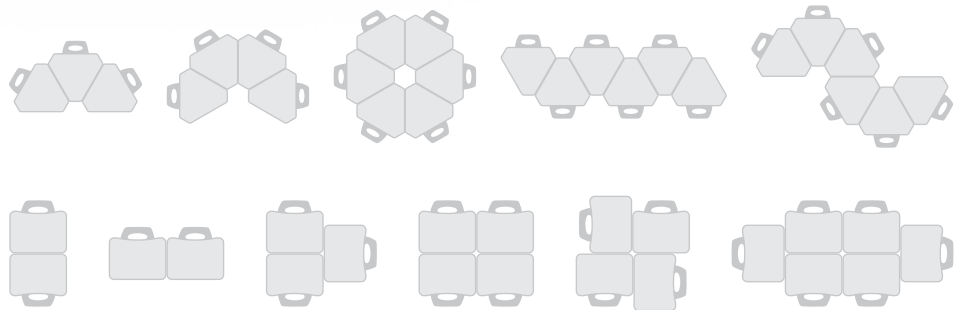

Bring lasting function and thoughtful design into your classroom with the Astute Hard Plastic Desk—a cost-effective solution that combines strength, flexibility, and a polished, modern aesthetic. Built for today's learning environments, this desk adapts to multiple teaching styles and student needs with ease.

Whether you're outfitting rows, clusters, or flexible pods, Astute offers clean lines and clever features that support focus, collaboration, and comfort.

Ideal for:

- Elementary through secondary classrooms
- Testing environments and study halls
- STEM, ELA, and general instruction areas
- Group learning, individual work, or flex-seating classrooms
