

PRODUCT SPECIFICATIONS

Inklüd™ Mobile Whiteboard

Part Number(s): 59080, 59081,
59094

Overview:

Get mobile dry erase space, facilitate group learning, and even create private work areas with the Inklüd Mobile Whiteboard. Easily maneuvered or held in place with 60mm locking casters. Can be ganged together to create a room divider. Gang clips come apart easily as to not trap people in a room in case of emergency. The clips are magnetic and easily secure to boards for a place of storage when not in use. A magnetic marker cup holds up to 12 dry erase markers and has a strong hold that doesn't move or slide around. It can be moved if desired. This versatile double-sided easel come in three sizes, adapting to any space requirements.

Construction:

Magnetic steel board

Steel frame with platinum powder coat finish

60mm platinum casters (2 locking)
