KEY FEATURES

All-Around Accessibility

Four-sided design with three open shelves per side makes it easy to see, sort, and grab books from any direction.

Mobile & Maneuverable

Equipped with durable twin-wheel casters for smooth movement and repositioning across spaces.

Durable Laminate Finish

Scratch-resistant high-pressure laminate (HPL) is available in a variety of finishes to match your space and style.

High-Capacity Design

Ample storage accommodates large volumes of books, media, and materials—ideal for busy learning environments.

Sustainably Certified

SCS Indoor Advantage Gold Certified for low chemical emissions and healthier indoor air quality.

A Smarter Way to Store and Share

Meet your mobile library companion. The Porto Mobile 4-Sided Book Cart makes storing, transporting, and displaying books effortless in fast-paced environments like libraries, media centers, and classrooms. With twelve open shelves accessible from every angle, it offers generous storage capacity without compromising accessibility or style.

Durably constructed with scratch-resistant high-pressure laminate and smooth-rolling casters, Porto moves with ease and stands up to daily use. Whether you're reconfiguring a reading nook or rolling between rooms, this versatile cart delivers where you need it most.

Ideal for:

- K-12 libraries and reading areas
- School media centers
- University learning commons
- Classroom book displays
- Public libraries and literacy zones
