

Compass Teacher Desk - Double Cabinet

Part Number(s): CTDA1A1BXXD0-XXXX-XXXX

TOP:

The top is made of 1 1/8" Particleboard Core with 3mm Flat Vinyl Edge. The work surface is constructed of 45# particleboard core with high-pressure laminate (HPL) top surface and phenolic backer sheet for balanced construction.

COMPASS CABINET STORAGE:

A Compass Cabinet is part of the table for classroom storage. The 29" high desk cabinets can be ordered with shelves or 3" totes as standard and locking options of keyed random or alike.

MODESTY PANEL:

The Universal Modesty Panel is made out of 12 gauge painted sheet metal and features a smooth, arched profile. It measures 16" high in the center and 19" at either end.

CASTERS:

Eight (8) 100mm casters are constructed from a reinforced nylon with non-marking gray urethane wheels are included for mobile teacher's desks. Four (4) of the casters - two (2) per cabinet - are locking. Casters have a 0.5" x 1" stem.

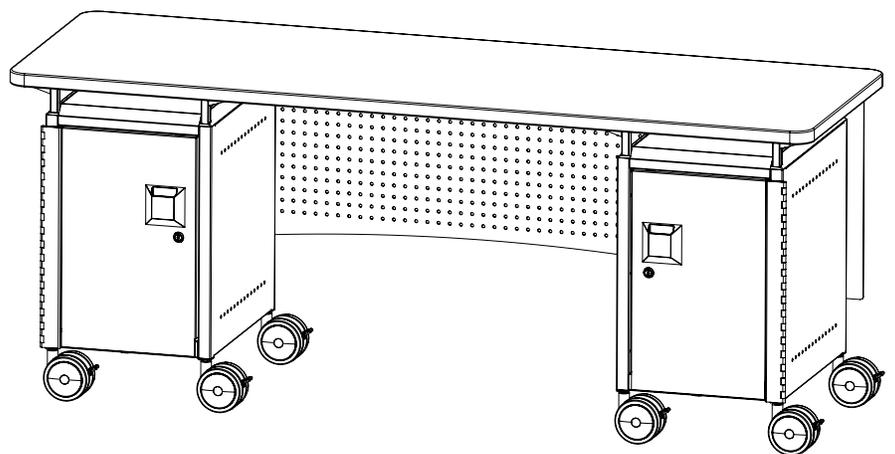

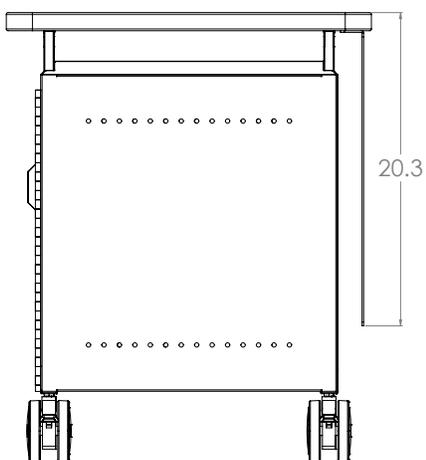

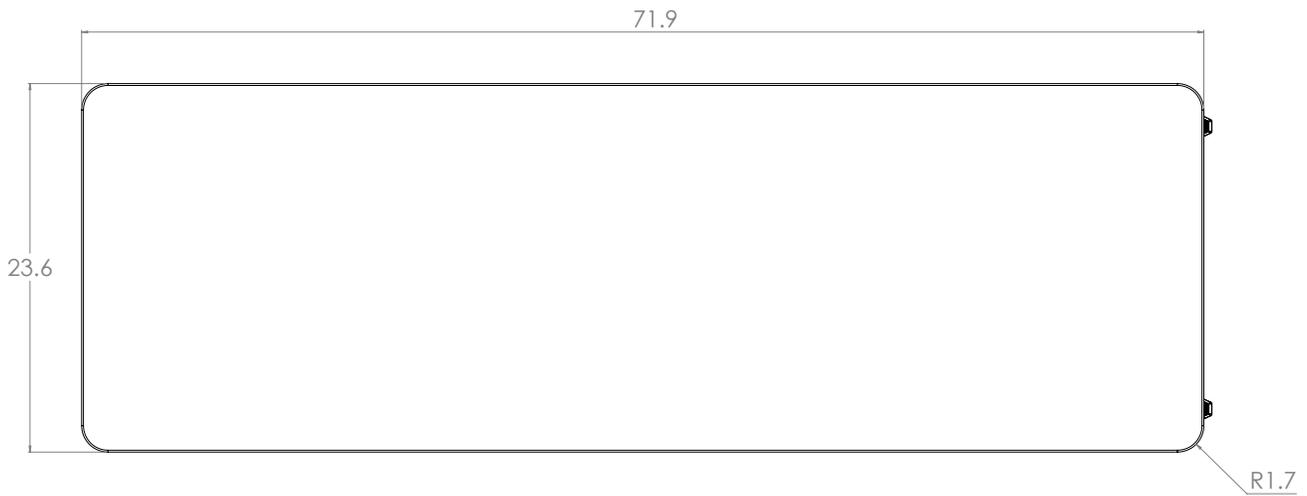

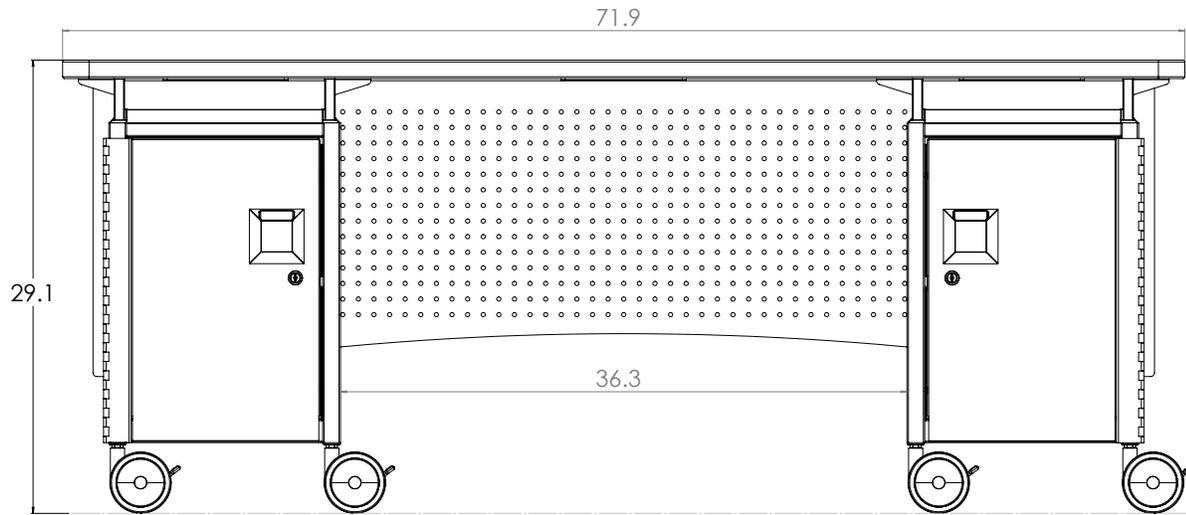

OPTIONS:

- Cabinets storage configurable with either shelves or 3" totes
- Doors locking configurable as either keyed random or keyed alike
