KEY FEATURES

Comfortable & Kid-Friendly

Sized with a 15" seat height, the soft, rounded shape supports natural movement and relaxed interaction for early learners.

Compact & Versatile

Small footprint makes it ideal for flexible seating zones, reading nooks, and group pods in classrooms, libraries, or media centers.

Tailored, Durable Upholstery

Top-stitched upholstery adds a refined finish. Choose from a wide range of graded-in fabrics or submit COM for custom projects.

Built to Last

Crafted in the USA using durable ¾" commercial-grade wood. Floor-safe glides protect surfaces in high-traffic environments.

Certified for Indoor Wellness

Prop 65 and CAL 117-2013 compliant. SCS Indoor Advantage Gold Certified for low-emitting materials and healthier indoor air.

A Cozy Place to Learn, Share, and Belong

The Orbit® Kids Low Back Chair brings comfort and connection to the classroom. With its soft curves, inviting upholstery, and compact design, this low-profile lounge chair helps young learners feel right at home in flexible learning environments. Whether used for storytime, small group discussions, or independent exploration, Orbit encourages collaboration and calm in equal measure.

Designed for durability and crafted with care, Orbit is made to withstand the energy of K-5 students while offering a warm, residential feel that fosters engagement and ease.

Prop 65 and CAL 117-2013 compliant. SCS Indoor Advantage Gold Certified for low-emitting materials and healthier indoor air. Backed by a 12-year limited warranty and supports up to 400 lbs.

Ideal for:

- K-5 classrooms and flexible learning zones
- Library or classroom reading corners and story areas
- Youth-centered media centers and breakout spaces
- Educational counseling and SEL environments
- Daycares, early childhood centers, and family zones
