

# ELEVATE WIND DOWN

**A safe and calming retreat.**

Designed for quiet moments, built for busy classrooms.

## ELEVATE WIND DOWN

Designed just for kids, the Elevate Wind Down creates a cozy and quiet space where students can take a moment to refocus, reset, or simply relax. Ideal for K–12 classrooms, sensory rooms, and calm corners, this soft seating nook helps children manage their emotions and energy throughout the school day.

- Provides a private retreat where young learners can wind down, read, or self-regulate during transitions or after high-energy activities.
- Measures 30"H with a 41" internal diameter and 60" external diameter, offering a comfortable, enclosed space sized just right for children.
- Helps students manage overstimulation, reduce stress, and build self-regulation skills in a supportive, student-centered environment.
- The soft, all-foam construction is comfortable, lightweight, and easy to move—perfect for flexible classrooms and wellness-focused spaces.
- Finished with top-stitched upholstery, available through MooreCo's graded-in fabric program or COM by approval. Includes nylon glides for smooth floor protection and easy repositioning.
- Manufactured in the USA from commercial-grade  $\frac{3}{4}$ " plywood and hardwoods, ensuring long-term durability in high-use school settings.
- 12-year limited warranty. SCS Indoor Advantage Gold Certified for indoor air quality. Prop 65 and CAL 117-2013 compliant
