KEY FEATURES

Modern Low Back Design

Lower profile allows for easier movement, sightlines, and collaboration across classrooms and offices.

Available in Two Heights

Offered in 16" and 18" sizes to ensure proper ergonomics for both younger students and adults.

Durable Injection-Molded Shell

The high-performance provides ergonomic back support and offers lasting comfort during extended periods of sitting.

Customizable Finishes

Finish and color flexibility makes it easy to coordinate with school palettes, office branding, or any interior design scheme.

Versatile Use

Well-suited for classrooms, lecture halls, studios, collaborative learning zones, or office break areas.

Modern Comfort for Everyday Spaces

The Hierarchy Low Back 4-Leg Chair delivers comfort, style, and versatility in a sleek, low-profile silhouette designed for today's learning and working environments. Available in 16" and 18" seat heights, it brings all the benefits of our standard Hierarchy shell with an updated, contemporary twist ideal for classrooms, offices, and collaborative spaces.

The durable injection-molded shell comes in a wide range of vibrant and neutral colors, while the sturdy four-leg base—finished in your choice of platinum or chrome—provides reliable stability and long-lasting performance. With its modern design and ergonomic support, this chair is the perfect fit for standard-height tables and desks across education and professional settings.

Ideal for:

- K-12 classrooms
- Higher education lecture halls and studios
- Collaborative learning and workspaces
- Office seating and break areas
