

iTeach[®] Platinum Pro

Flat Panel Cart

KEY FEATURES

Ultra Fast Assembly

Intuitive 2-piece design allows quick assembly, dramatically reducing installation time and complexity.

Lighter, Easier Mobility

Nearly 80 pounds lighter than the original iTeach, making it easier to maneuver between spaces without compromising durability.

Heavy-Duty Display Support

Engineered to safely support flat panels up to 300 lbs, delivering confidence and stability for today's larger, heavier displays.

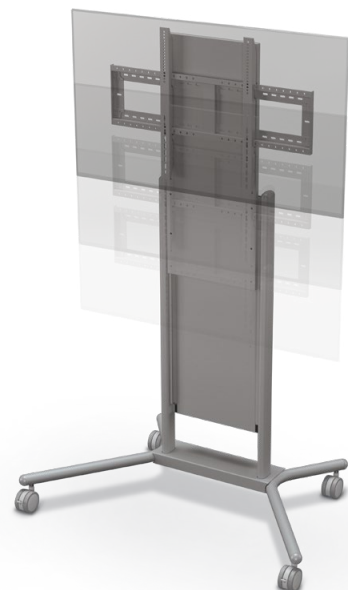

Expanded Electric Height Range

Offers 25.5" of smooth electric height adjustment, providing greater flexibility and improved visibility.

Platinum Finish Coordination

A sleek platinum finish aligns with many MooreCo products, creating a cohesive, professional aesthetic.

MOORECO[®]

Effortless mobility. Elevated performance. Built for modern learning environments.

iTeach® Platinum Pro Flat Panel Cart is the next evolution of mobile display solutions, designed to replace the original iTeach line with smarter performance, lighter weight, and faster assembly. Featuring a refined platinum finish that coordinates seamlessly with other MooreCo products, Platinum Pro brings a clean, cohesive look to today's classrooms and collaborative spaces.

Built to support flat panels up to 300 lbs, Platinum Pro delivers an impressive 25.5 inches of electric height adjustment—significantly more range than its predecessor—making it easy to achieve optimal sightlines for learners of all ages. Its thoughtfully engineered design allows the uprights and TV mount to assemble quickly into a sturdy mobile base with smooth-rolling casters, so setup takes just minutes, not hours. At nearly 80 pounds lighter than the original iTeach, Platinum Pro is easier to move, easier to install, and easier to love—without sacrificing strength or stability. SCS Indoor Advantage Gold Certified for healthier, human-centered environments.

Ideal for:

- K-12 classrooms
- Presentation and training rooms
- Collaborative learning environments
- Mobile AV applications
- Districts upgrading legacy flat panel carts
