KEY FEATURES

Configurable Shapes for Any Setup

Rectangular, Monroe, and Boomerang designs support individual focus, collaboration, and flexible classroom layouts.

Streamlined, Open Design

No book box creates a lighter visual profile and allows for easier movement, tighter nesting, and faster reconfiguration.

Durable Hard Plastic Surface

Premium hard plastic top features a smooth waterfall edge and embossed pen/pencil groove for comfort and durability.

Height-Adjustable Growth Range

Adjusts from 22" to 33"H in 2" increments, supporting a wide range of students across multiple grade levels.

Efficient Value Packaging

Sold in sets of two for easier planning, purchasing, and classroom outfitting.

Streamlined design. Everyday durability.

Designed for educators who want maximum configurability and easy movement, Astute Flex supports both focused individual work and dynamic group learning in modern classrooms. Available in three versatile shapes, Astute Flex adapts easily to a variety of teaching styles.

Choose the rectangular desk with an ergonomic belly curve for comfortable seating, the diamond-shaped Monroe desk for high-density layouts and collaborative configurations, or the Boomerang shape to encourage interaction and fluid group arrangements. All shapes support right- or left-hand seating and align smoothly for clean classroom arrangements.

A powder-coated platinum frame with chrome leg inserts delivers strength and a cohesive look that coordinates with other MooreCo products, while floor-safe glides make repositioning simple.

Premium hard plastic tops, offered standard in Grey Nebula or Fusion Maple, feature smooth waterfall edges and an embossed pen/pencil groove for comfort and everyday functionality.

Height-adjustable from 22" to 33"H in two-inch increments and sold in sets of two, Astute Flex is a durable, adaptable solution built to grow with students and evolve with classrooms. SCS Indoor Advantage Gold Certified for healthier, human-centered environments.

Ideal for:

- K-12 classrooms
- Collaborative and flexible learning spaces
- Testing and exam rooms
- Libraries and media centers
- Training and multipurpose rooms
